## **2017 B.M.D.S. CHRISTMAS PANTOMIME**

**Earl Cameron Theatre – City Hall**

Written and Directed by Carol Birch – Music and Lyrics by James Burn

**The Miller is finally set to retire and hands his mill over to his oldest daughter, his elephant to his youngest and his cat to his “head in the clouds” son. A cat? Well, this is one very special cat and he’s going to try to help his new owner achieve his dreams of marrying the beautiful princess. But, there’s a very bad man waiting in the wings to get the princess into his own clutches. Will he succeed? Will someone be able to slay the horrible ogre that is wreaking fear and havoc all through the kingdom? Will the young couple be able to be together or will the evil Vizier thwart all their plans? Will the Dame finally find the man of HER dreams on the stage or in the audience?**

**You’ll just have to come to the show to find out....**
