

Miller, Meaner, Minor Sanja

Everyone again Hurrah!

Miller Thank you one and all for this wonderful send off. I am really looking forward to my retirement and I have a few announcements to make about my assets....

Minor Oh goodie!

Miller There are just a few formalities.

Meaner *(to Minor)* I can't wait to bring this Mill into this century.

Minor I can't wait to see what I'm going to get...

Miller Are all my children here?

Meaner & Minor Yes, daddy dearest.

Miller Where is that son of mine? He is always missing and off somewhere playing the fool. Help me find him everyone...

All searching and calling Sanjay

Sanjay enters through the house – he is in a dream world and doesn't know everyone is looking for him. He is stopping and chatting to the audience on the way. He is asking people if they have seen the Princess?

Chorus member There he is *(pointing)*

All Sanjay ...

Sanjay *(He notices them)* – Oh hello everyone, were you looking for me?

All Yes.

Sanjay quickly gets onto the stage.

Sanjay Sorry, I was just out for a nice walk.

Miller There is work to be done Sanjay, you are such a dreamer. I have important things to discuss with you all. Now pay attention.

Sanjay Yes father.

Miller As you all know I am retiring today and taking a well-earned break, so I am splitting my worldly goods between my two daughters and my son. I know it is customary to leave an estate to the son but I'm afraid Sanjay is too much of a dreamer to run the Mill as it should be run. So I leave the Mill to Meaner.

Meaner I am the oldest anyway so it should be left to me...

Minor You can tell that by just looking at you.

Meaner gives her a clip

Minor Ow, what was that for. What about me father?

Miller To you Minor I leave my donkey.

All Laughing....

Minor Thank you father, I love donkey more than anything.

Meaner *(dubiously)* I'm saying nothing.

Sanjay What about me Father?

Miller To you Sanjay I leave my most prized possession.

Minor Oh you mean me...I am after all your most prized possession.

Miller Oh give over, I mean my Cat Jacques.
