

Sanja, Jacques & Princess

Sanjay and Jacques enter

Sanjay I'll never be able to marry the princess now with no prospects at all.

Jacques She was never going to marry a commoner like you anyway...

Sanjay Oh yes she was...

Jacques Oh no she wasn't

Etc

Sanjay Wait a minute...what did you say?

Jacques Oh no she wasn't...

Sanjay Stop that, you can talk???

Jacques Of course I can talk you fool.

Sanjay How come I have never heard you talk all the years you have been at the Mill??

Jacques Because I only talk to the person I am bonded to and as your father gave me to you, then you can now understand me (to the audience) He is such a numpty isn't he boys and girls?

Kids Yes

Sanjay How come the boys and girls can hear you.

Jacques Because they have the magic wands mr. Numpty..

Sanjay Stop calling me that. How am I going to make my fortune now?

Jacques Leave that to me, I will help you make your fortune, all it will cost you is a rather nice hat and some boots.

Sanjay A hat and boots? Well that sounds easy enough.

Jacques (to audience) Oh this is going to be like taking candy from a baby...

Princess runs on

Princess Oh Sanjay, there you are, I was looking for you in the orchard...

Jacques Wowser, mr. Numpty, what a looker.

Sanjay Shut up you idiot.

Princess Sanjay, whatever made you say such a mean and cruel thing to me.

Sanjay I didn't say it to you.

Princess Oh yes you did.

Jacques Oh no he didn't.

Sanjay Oh don't start that again.

Princess Start what again, I think you have been out in the sun too long.

Jacques I think so too.

Sanjay Will you shut up and go away.

Princess Fine if that's how you feel I'll leave – *(she goes to leave)*

Sanjay Meru, Please don't go, I'm not talking to you.

Princess Then who are you talking to, we are the only ones here, except about 300 people sitting out there...how strange I never noticed them before.

Sanjay It's because they have magic wands.

Jacques And paid to come in...

Sanjay *(goes over to Jacques)* I told you to be quiet!

Princess Who are you talking to Sanjay??

Sanjay suddenly realizes she can't hear the cat

Sanjay It's the cat.

Princess The cat, I think I had better go and get the doctor.

Sanjay Wait please...the cat is magic isn't he boys and girls.

Kids Yes.

Princess Oh my goodness...I wish I could talk to him.

Jacques Maybe she can with a little bit of magic.

Sanjay Do you really think so? But how??

Jacques The boys and girls can help and the mums and dads. If they wave their wands and shout Abracadabra

Sanjay That sounds simple enough...after 3 we are going to shout Abracadabra. Are you ready kids?...1, 2, 3 Abracadabra.

Princess *to Jacques* – well say something?

Jacques *To the Princess* - What would you like me to say you sweet young thing???

Sanjay Jacques, stop that you cheeky cat.

Princess Did he say something? Are you sure you're not playing with me Sanjay!

Sanjay Jacques, what are you playing at?

Jacques There wasn't enough magic, I think one more wand should do it..

Sanjay Where do we get one more wand from? It's not like they grow on trees!

Jacques I just happen to have one right here (*he produces a wand*)

Sanjay Brilliant (*he goes to take it*)

Jacques Not so fast...you have to pay for it or it won't work.

Sanjay I might have known there was some trick to it...

Jacques No trick, nothing in this life is free...

Sanjay But I don't have any money.

Princess What is going on Sanjay?

Sanjay He says I have to pay for it but I don't have any money.

Princess This is crazy, you are acting like a fool.

Jacques There is no acting involved...he acts the fool quiet naturally.

Sanjay If you don't shut up you mangy cat I won't be responsible for my actions.

Princess SANJAY....*she starts to cry*

Sanjay I wasn't talking to you Meru, I promise. It was the cat wasn't it boys and girls?

Jacques Oh no it wasn't

All Oh yes it was etc

Sanjay Meru, I am so sorry but unless I can find some money I won't be able to buy the wand to prove that I'm right

Princess I don't have any money – I've never actually needed any being a Princess, people just tend to give me things.

Jacques I have an idea – here comes your miserable sister Meaner. You just do as I tell you. *(He whispers in Sanjay's ear)*
