## INDEPENDENT AUDITORS' REPORT

To the members of  
The Bermuda Musical and Dramatic Society

### Qualified Opinion

We have audited the financial statements of The Bermuda Musical and Dramatic Society (the "Society"), which comprise the statement of financial position as at May 31, 2021, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (collectively referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at May 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with accounting standards for not-for-profit organizations in Bermuda and Canada.

### Basis for Qualified Opinion

In common with many not-for-profit organizations, the Society derives revenue from donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Society and we were not able to determine whether any adjustments might be necessary to recorded donations, the excess of revenues over expenses, and cash flows from operations for the years ended May 31, 2021 and 2020, current assets as at May 31, 2021 and 2020, and net assets as at April 1 and May 31 for both the 2021 and 2020 years. Our audit opinion on the financial statements for the year ended May 31, 2020 was modified accordingly because of the possible effects of this scope limitation.

We conducted our audit in accordance with generally accepted auditing standards in Canada and Bermuda. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and Bermuda, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting standards for not-for-profit organizations in Bermuda and Canada, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

## INDEPENDENT AUDITORS' REPORT (cont'd)

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with generally accepted auditing standards in Canada and Bermuda will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with generally accepted auditing standards in Canada and Bermuda, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE FINANCIAL STATEMENTS**

May 31, 2021

*(expressed in Bermuda dollars)*

1. DESCRIPTION OF BUSINESS

The Bermuda Musical and Dramatic Society (the “Society”) was formed under the laws of Bermuda by The Bermuda Musical and Dramatic Society Act 1950. The purposes of the Society are the stimulation of interest in and the appreciation of music, drama and the related arts and, for the furtherance of these purposes:

- (a) to engage in musical and dramatic activities;
- (b) to sponsor concerts, dramatic productions and lectures;
- (c) to establish and maintain suitable facilities for such activities; and,
- (d) to establish and maintain educational facilities in the said arts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of preparation*

These financial statements have been prepared in accordance with accounting standards for not-for-profit organizations generally accepted in Bermuda and Canada, Part III of the CPA Canada Handbook and include the following significant accounting policies:

*Use of estimates*

The preparation of financial statements in accordance with accounting standards for not-for-profit organizations generally accepted in Bermuda and Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting periods. Actual results could differ from management's best estimates as additional information becomes available in the future. These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in the period in which they become known.

*Revenue recognition*

The Society follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when they are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets in the year.

Musical and dramatic productions are recognized as revenue when the shows are held. Income from Daylesford bar is recognized as beverage products are sold. Member fees are recognized as revenue proportionately over the fiscal year to which they relate and rental income is recognized ratably over the term of the lease.

*Inventories*

Inventories are valued at the lower of cost and net realizable value. Cost is determined on the first-in, first-out basis.

Capital assets are recorded at cost and amortized over their estimated useful lives at the following annual rates. Land is not amortized.

Theatre building	2.5% declining balance
Daylesford renovations	10% declining balance
Lighting and sound equipment	10% declining balance
Pianos	10% declining balance
Furniture	10% straight-line
Electronic equipment and computers	25% straight-line
Air conditioners	25% straight-line
Water system and ice machine	25% declining balance

*Financial instruments*

Financial assets and liabilities measured at amortized cost include cash, accounts receivable, accounts payable and accrued liabilities and debentures.

8. FINANCIAL INSTRUMENTS RISK

The Society is exposed to various risks through its financial instruments. The following analysis provides a measure of the Society's risk exposure as at May 31, 2021. Reference should be made to the statement of financial position and related notes for the quantitative values of the financial statement items referred to herein.

*Credit risk*

The Society is exposed to credit risk with respect to accounts receivables.

*Liquidity risk*

The Society is exposed to liquidity risk mainly with respect to its accounts payable and accrued liabilities, and its ability to provide the activities related to its deferred revenue.

*Market risk*

The spread of coronavirus ("COVID-19") has caused significant business and economic disruption globally. The Society's operations have been impacted through an extended closure of the premises, resulting in the cancellation and postponement of musical and dramatic productions and a decline in bar revenue. Disruption of the Society's operations for an extended period of time could have a significant impact on the revenue, profits, and cashflows of the Society. The Society's management have implemented mitigating measures including deferring capital projects and reducing all possible variable costs. Given the uncertainty regarding the duration, extent, and the ultimate impact of COVID-19, the Society cannot reasonably estimate the impact on its prospective financial performance at this time.

*Changes in risk*

There have been no significant changes in the Society's risk exposure from the prior fiscal year.

9. SUBSEQUENT EVENTS

There have been no significant subsequent events identified up to the date of approval of these financial statements.
